

ACTIVE COMPONENTS

- Discrete semiconductors • Valves
- Analogue circuits
- Digital circuits
- Development tools • Quartz crystals
- Assembly materials for semiconductors
- Optoelectronics

PASSIVE COMPONENTS

- Capacitors
- Resistors
- Potentiometers
- Ferrite rods • Inductors
- Filters • Small fuses (equipment protection)

ELECTROMECHANICAL COMPONENTS

- Relays
- Connectors
- Switches
- Push buttons
- Indicator lamps
- Knobs
- Circuit boards

EMBEDDED/WIRELESS/EDUCATION

- Wireless communication
- Kits • Experimental systems
- Specialist books • Data books

BATTERIES/TRANSFORMERS/POWER SUPPLIES

- Transformers
- Batteries • Rechargeable batteries
- Chargers
- Solar and wind technology
- Power supplies
- Laboratory power supplies • Inverters
- Plug-in power supplies

LIGHTING

- LED lighting systems
- Lights
- Indicator lamps
- Holders • Lights
- Torches
- Work lights

You can quickly and conveniently order the complete ranges of the following branded products from us:

MEASURING SYSTEMS

- Test leads • Laboratory connectors
- Multimeters • Meters to measure temperature and physical parameters
- Decade resistance boxes • Thermal imaging cameras • Oscilloscopes • Generators
- Electronic test equipment • Calibrators
- Data logging • LCR meters • PC metering equipment • Clip-on ammeters
- Fixed measuring instruments
- Energy and power meters
- Telecommunication / LAN meters

AUTOMATION

- Process indicators • Controllers
- Control units • HMI
- Industrial communication
- Sensors • Drive systems
- Switching / counter / monitoring / and reporting equipment • Actuators
- Pneumatics • Signal generators

ELECTRICAL ENGINEERING

- Line protection / residual current protection
- Voltage surge protection
- Housings
- Fans • Heaters
- Installation material
- Safety systems
- Cables
- Wiring

TOOLS/SOLDERING EQUIPMENT

- Tools
- Electronic instruments
- Soldering equipment
- Soldering fumes extraction

WORKPLACE/MAINTENANCE/MECHANICS

- Workshop/workplace equipment
- Maintenance • Adhesives • ESD
- Labelling • Safety at work
- Mechanical components
- Cleaning products • Chemicals
- Protective clothing
